Empowering Students for a Greener Future

EU2SE – European Upskilling of Students
for Sustainable Entrepreneurship is an
Erasmus+ project connecting students and
educators from:

FR France | FI Finland | MK North
Macedonia | ES Spain

**To build future entrepreneurs who care –
about people, planet, and prosperity.**

'Loved working with different nationalities and the whole group blended together very fast.

Virtual Training – 5 Weeks, 5 Themes

Learn Online. Collaborate internationally.
40 students. 4 countries. 1 shared mission.

Entrepreneurship Week in Ohrid

🧠 From Ideas to Action in North Macedonia

In May 2025, 40 students and educators met in Ohrid to:

- 🌿 Co-create sustainable business ideas
- 🌍 Network across borders
- 💡 Pitch prototypes inspired by real-world challenges.

This is more than a study trip – it's a **launchpad for change.**

Multicultural and multidisciplinary collaboration with others. Gained new perspectives and understanding. Good group spirit, interesting program, and beautiful surroundings. Thank you!

A Growing Network for Change – join us!

🤝 Connecting Europe for Sustainable Impact.

EU2SE builds a long-term academic and regional network:

8 universities across 7 EU countries

👩🏫 Experts in education, innovation, and entrepreneurship

🏙️ Local economic communities

Together, we're creating tools and ecosystems that last.
